Declaration and Power of Attorney For Patent Application

As a below named inventor, I hereby declare that:

my residence, post office address and citizenship are as stated below next to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor(s), (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled: IN-SITU PLASMA CLEANING DEVICE FOR CYLINDRICAL SURFACES,

the specification of which: (check one)
_____ is attached hereto.

_____ XXXXX was filed on 9/30/2003 as United States Application Number 10/605,432.

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I (We) hereby certify that the invention disclosed in the attached application has not and will not be the subject of an application filed in another country, or under a multilateral agreement that requires publication at eighteen months after filing. I hereby request that the attached application not be published under 35 U.S.C. 122(b).

I acknowledge the duty to disclose information which is material to patentability as defined in Title 37, Code of Federal Regulations, Section 1.56.

I hereby claim foreign priority benefits under Title 35, United States Code, Section 119(a)-(d) or Section 365(b) of any foreign application(s) for patent or inventor's certificate, or Section 365(a) of any PCT international application which designated at least one country other than the United States of America, listed below and have also identified below, by checking the box, any foreign application for patent or inventor's certificate or of any PCT International application having a filing date before that of the application on which priority is claimed.
